

## **Prix Caprilli & Arena Event Evening for NEFRC Members**

**Wednesday 1<sup>st</sup> July at the Club Field**

### **Prix Caprilli**

A prix caprilli is a dressage test with jumps in it. The number of jumps and their heights vary with level. A prix caprilli is judged like a dressage test with emphasis on the horses way of going, the rider, and the horses gaits. What they are looking for is the smoothness and rhythm of a dressage test, just with jumps in the middle.

**Class 1a:** Prix Caprilli Introductory Level Test (max height of jumps: 2ft cross poles)

**Class 2a:** Prix Caprilli Prelim Level Test (max height of jumps: 2ft6)

### **Arena Event**

The Jumping will consist of a course of approx. 8 Show Jumps including a double. This will be followed by the timed phase. This phase will be started by another signal and will consist of 6-8 Arena Cross Country fences and may even include up to 4 outside the Arena.

Scoring Criteria: Clear rounds take precedence over anyone with jumping faults and the winner will be the one nearest the optimum time with a clear round based on the stated m/min in the Cross country phase. Added to this will be: a) 5 seconds added for a knockdown in the Show Jumping; b) 3 refusals in total – Elimination; and c) 1<sup>st</sup> fall of rider - 10 seconds and 2<sup>nd</sup> fall of rider or fall of horse – Elimination.
